c/o HONG KONG VISA CENTRE LIMITED
Attn. : Mr BARNES, STEPHEN DARYL

5 April 20 [REDACTED]

Dear Sirs / Madam,

Re. Application for Entry for Investment and Dependants
in respect of [REDACTED]

I refer to the visa application for employment (investment) and dependants
of [REDACTED]

Under existing policy, a person seeking to enter the Hong Kong Special
Administrative Region ('HKSAR') for employment should possess a special skill,
knowledge or experience of value to and not readily available in the HKSAR and that
he/she is not filling a post which can be filled locally, or as an investor, be in a position to
contribute substantially to the local economy.

Having considered all information available and all circumstances of the
case, we are **prepared to grant [REDACTED] a 12-month
employment (investment) visa to work for [REDACTED] only and (a) 12-month
Dependent visa(s) to [REDACTED]**

However, [REDACTED]'s future application for extension
of stay, if any, will be subject to review on the fulfillment of office setup (office tenancy
agreement) and job opportunities created for local people (MPF forms of local
employees). [REDACTED] is required to demonstrate, amongst other
things, that [REDACTED] has been actively carrying out business in the HKSAR and
that the business activity has been beneficial substantially to the economy of the
HKSAR, as well as to produce any other documents that may be required for the
assessment.

[REDACTED] must also be forewarned that if he/she fails
to produce proof of materialization as to the above conditions, his/her extension of stay
application would be critically affected.
