Law at your fingertips

**DRAGON LAW**

Online Legal Services for your business

[www.dragonlaw.com.hk](http://www.dragonlaw.com.hk)

## Document builder

Our easy to use document builder guides you through a series of simple questions to build a well-drafted legal document, which can then be downloaded or signed electronically.

## DragonLink

Need a legal document reviewed, or specific legal advice for your business? With DragonLink you simply post a job and wait for a quote from a qualified lawyer.

## Trade marks

Registering your business trade marks in Hong Kong and across Asia has never been easier. Let us guide you through the process, and ensure your company's intellectual property is well protected.

## Company formation

Incorporate Hong Kong, BVI, Cayman, and Singapore companies quickly and directly from our site. Focus more time on building your Asian footprint and less on cutting through legal red tape.

# The document builder

## You answer a few questions

Quickly get to the terms of the contract that matter to you.

## We DoubleCheck your responses

A second pair of eyes to give you extra peace of mind.

## Everybody signs online

Or download your document into Word or PDF format.
