Step 1 – Understand Policy

- Based upon flexible conceptual hurdles to be overcome
- A non legalistic nor overly bureaucratic process
- Facilitative of bona fide commercial and other socially advantageous activity
- Three undercurrents:
 1. Creation of local jobs
 2. Promotion of 'Welcome Investment'
 3. Clear benefit to Hong Kong

Step 2 - Do You Actually Have A 'Visa Problem'?

Permanent HKID Card Holders
Right to Land Holders
Holders of Unconditional Stay
Residents with Dependant Visas
Holders of Capital Investment Entrant Scheme Visas
Holders of Quality Migrant Admission Scheme Visas

So, What Can You Do As a Visitor?

Genuine business visit – leave and depart quickly

Pre-relocation for business residence: orientation, preliminary – but no assumption of the job-related duties

Trade fair participation, speaking at conferences

Delineated by the attitude of ImmD to a prosecution for the activity in question/intention of the parties at the outset
